

WILLIAMS LAKE CONSERVATION COMPANY
A REGISTERED NON-PROFIT COMMUNITY ORGANIZATION
www.williamslakecc.org

What is the Williams Lake Conservation Company (WLCC)?

The WLCC is a registered, non-profit, volunteer community organization. It was founded in 1968. Its mandate is to promote the health of Williams Lake and its watershed for the benefit of all.

Who are the members?

Membership is open to everyone who shares our objectives. Some members live near Williams Lake; many live elsewhere.

What does the WLCC do?

- Interact with municipal, provincial and federal authorities on behalf of Williams Lake
- Monitor water quality of lake
- Issue and distribute a Newsletter to members and other area residents
- Defend public access to the lake
- Respond to concerns about the lake and its watershed
- Work together with other groups to resolve shared concerns
